

Sponsor Opportunities

The HCGA is an association consisting on people from the meat and dairy goat industries, along with cheese makers and local youth. We are a group of individuals united by the common goal of promoting the goat industry while providing educational information for breeders, owners, and the public. These goals are accomplished in part through the events we host each year that include a dairy goat show, meat goat show, cheese making classes, and educational seminars on soap making, meat processing, and proper caprine management. Through the help of our sponsors we can continue to achieve these goals, and would love to include you at all of our events! We welcome sponsorships at all levels, including the donation items for the raffles our club holds at each event. The money generated from our sponsors goes towards hosting our association's events and funding our youth scholarship program.

Thank You!

Humboldt County Goat Association provides five sponsor levels that help us continue to meet our goals

◆ **Diamond** ◆ **Ruby** ◆ **Emerald** ◆ **Friends** ◆ **Youth** ◆ **Raffle** ◆
